## WHAT YOU WANT THE COURT TO DO (Summary of Asks)

1. Confirm March 31, 2026 trial date; set deadlines for witness/exhibit lists and motions in limine.
2. Grant Motion to Compel re: Carpenter — production by March 17 or written certification. (Rule 16, Brady, Giglio)
3. Order Intoxilyzer discovery (COBRA data, maintenance logs, 2 cert reports) by March 3-10. (Rule 16(a))
4. Reject State's 'affirmative findings' instruction OR set instruction conference before trial. (State v. Bradley)
5. Grant bifurcation of enhancement OR issue limiting instruction on prior conviction. (Rule 404(b))
6. Approve 45 min voir dire and PowerPoint use at trial; clarify courtroom tech setup.

## RECORD PRESERVATION — If any issue is denied or deferred, state on the record:

"I am preserving my Motion to Compel (Carpenter), my objections to the affirmative findings instruction under State v. Bradley, my request for Defense Instructions #6, 7, 8, 10, 11, my request for bifurcation under Rule 404(b), and my demand for COBRA data and Intoxilyzer logs. I will renew all of these at trial."

## FOUR PILLARS OF REASONABLE DOUBT — Every Pretrial Issue Supports These
