DECLARATION OF PROBABLE CAUSE:

Your Declarant bases the Information upon the following:

The statement of Utah Highway Patrol Trooper Ernsten that on or about September 6, 2023 at 2600 South State Street in Salt Lake County, he initiated a stop on a vehicle driven by PETER GOLUB for failing to signal when making a lane change. GOLUB admitted he had two beers an hour prior. GOLUB refused to provide a breath sample, stating he would blow over the legal limit. Officer Ernsten smelled the odor of alcohol on GOLUB's breath and observed GOLUB had slurred speech, glossy bloodshot eyes, and swayed while standing. The standardized field sobriety tests were administered during which GOLUB showed signs of impairment. GOLUB then submitted to a chemical breath test that showed he had a BrAC of .104.

NOTICE IS HEREBY GIVEN that pursuant to UCA 41-6a-502, the defendant is subject to enhanced penalties because he has a prior qualifying conviction; to wit: Impaired Driving (MB) in Holladay City Justice Court Case No. 195000467.

Pursuant to Utah Code Annotated § 78B-18a-106 (2018) I declare under criminal penalty of the State of Utah that the foregoing is true and correct to the best of my belief and knowledge.
